11 October

Hello, nice to hear from you something!

My name is Anna and I live in Russia.

I'm ten years old and my birthday is on 6th December. I haven't got any sisters or brothers. But I have cousin. Her name is Ksenia and she's ten, too. She lives in Moscow and we both go to Secondary school, but I'm in Nevinnomyssk.

I'm in class 5B and I don't know her class. My hobby is dancing and listen to Korean music. I hate cooking too.

Bye.

Good luck.

Anna.
